Attendees will leave ready to take action!

Speaking Topics

"The Mis-Education of the Griever" | Come ready to unlearn inaccurate information and untruths about grief, loss, and mourning. Be prepared to uncover the truths which have hidden the generational wounds of undelivered communication.

"Programs, Pews, and Porches: KINGDOM LEADERS BECOMING RELATIONALLY EFFECTIVE THROUGH THE POWER OF COMMUNITY" | An eight-hour introductory workshop of a transformational leadership coaching.

"Broken Crayons Still Create Masterpieces" | After healing from the hurt and disappointment of being overlooked, misunderstood, or heartbroken you feel different. Your previous life canvas was created through the lens which no longer captures the true picture of how you now see the word and yourself. The old wounds colored your perception/view and in turn determined how you responded to life. Whose stolen identity needs to be returned in order for you to have clarity about the MASTERpiece you are? *Come prepared to embrace your new identity.*
